Got Flu Shots?
Hospital Offers Free Drive-Thru Flu Shots for Adults

- Who:** Community Hospital of San Bernardino
- What:** Free Flu Shots for Adults 18 years and older
- When:** Thursday, November 9, 2006 from 9:00 a.m. – 1:00 p.m., or until supplies last.
- Where:** Community Medical Plaza parking lot, on 1800 Medical Center Drive, across the street from the hospital.
- How:** The process to receive the vaccine is fast and convenient. Recipients drive up to the nurse's station and don't even have to leave their cars. For more information on these and other services provided by Community Hospital, please call (909) 887-6333.
- Why:** For the health of our community. "This is the season when our community is most vulnerable to catch the flu, especially the elderly. Our goal is to keep our community healthy during this time and throughout the rest of the year."
Vice President Operations/ Chief Nurse Executive Diane Nitta
- Note:** Women who are pregnant should consult with their physician prior to receiving the vaccine.

About Community Hospital of San Bernardino

Community Hospital of San Bernardino is a private, non-profit 321-bed acute care hospital that has served the Inland Empire community since it was founded in 1908. Its services include an emergency room, acute inpatient care, obstetrical services, inpatient and outpatient surgery, behavioral health services and long term subacute care for adults and children. Affiliated with Catholic Healthcare West, Community Hospital of San Bernardino is non-denominational. The hospital is located at 1805 Medical Center Drive, between Highland and Baseline in the city of San Bernardino.
